#### **A. Public Hearing**

Mayor Darnell made opening comments at 7:08 p.m. Deputy Clerk Winberg stated that a legal notice was published in *The Fort Morgan Times* on May 5, 2008; and notices were mailed to property owners on May 2, 2008.

Director Merrill presented the application for a Special Use Permit by Northeast Colorado House of Hope at 914 State Street. Merrill stated that their official name had been changed to Aletheia; they are no longer known as House of Hope. Merrill noted the letters of support the Planning & Zoning Department had received on behalf of Aletheia. Mike Kirkendall, City Building Inspector had been through the building and approved the remodeling to date. He will continue to monitor any remodeling in the future to assure it meets the City's Zoning Code requirements.

Liz Gorham, representing the applicant, Aletheia/Northeast Colorado House of Hope, stated they were excited to have the building donated by Ron Greene. It is for a private school that offers performing arts classes as well as an art school, an art consignment shop, business offices and a help center for troubled teens.

Mayor Darnell asked for any public comments/oral or written regarding the application. There were none.

Councilmember Deal commented that this is wonderful use of an old building and that it would be a great project for historic preservation; it is a wonderful addition to our community. Acting City Manager Kuretich asked Director Merrill to explain, again, that the reason they applied for a

special use permit is because the R-2 zoning of the structure allows public schools, but this is for a private school.

Councilmember Powers offered a motion that the public hearing regarding the Aletheia/Northeast Colorado House of Hope be closed. His motion was seconded by Councilmember Schafer and carried unanimously.

### **B. Action on the Application**

Attorney Wells stated that the recommendation by the City's Planning Commission is that the special use permit be approved.

Councilmember Shaver offered a motion to approve the application for a Special Use Permit by Aletheia/Northeast Colorado House of Hope to operate a private school, offices and small art consignment store in an R-2 District. ---

Director Shedd recapped the bid process that recently took place for two commercial riding lawnmowers for the Cemetery. They received three bids. According to the City's procurement policy and a Staff oversight, they could not accept one of the bids. Staff recommends to Council that they accept the bid from Wickham Tractor Company, Fort Morgan, in the amount of \$21,560.

Councilmember Schafer commented that she does not think that the bid process was handled professionally in that Staff did not obtain one of the bids in time for it to be part of the bids being considered. She is voting against the motion and she wanted to state the reason why.

Councilmember Powers offered the following Resolution and moved for its adoption. His motion was seconded by Councilmember Simmons; said Resolution being in words, letters and figures as follows, to wit:

### **FIRST READING OF AN ORDINANCE ENTITLED, "AN ORDINANCE AMENDING ORDINANCE NO. 1049 ENTITLED 'ADOPTING SECTION 22A-22 DISPOSITION OF CITY-OWNED REAL PROPERTY'"**

---

Attorney Wells noted for Council consideration on first reading, an Ordinance which would amend Ordinance No. 1049 regarding the disposition of City-owned real property.

Director Merrill noted that he felt the ordinance serves the intended purpose to handle the sale of surplus property that the City wants to dispose of.

Councilmember Powers asked if there is any targeted surplus property that we are looking to dispose of – not including Industrial Park, but other parcels. Director Merrill noted that they are considering some old well sites, small tracts, etc. As they surface, they will make them for sale. His experience has shown that if the parcel to be sold is located next to someone’s existing property, the current property owner usually wants to pick it up as additional property.

Councilmember Powers asked Director Merrill if he visualizes any unique property issues stemming out of these types of sales. Director Merrill stated that the property owner has a 30-day window period where a notice will be provided to the public before bids are closed; he does not anticipate any problems.

Attorney Wells noted that the sale of surplus properties are similar to other real estate transactions in that others can come in to bid/outbid each other for the property. This would be beneficial in the end to the citizens.

Said Ordinance being in words, letters and figures as follows, to-wit:

### DISCUSSION AND/OR ACTION ON THE CURRENT REVIEW POLICY OF APPOINTED OFFICIALS

---

Attorney Wells stated that the current litigation with *The Fort Morgan Times* addressed issues related to the current policy on the review of appointed officials. He had provided a short memo to City Council as well as to the public in the packet for this meeting and, this evening, the request is to make a motion to put the current policy in abeyance; to suspend it until the lawsuit with *The Fort Morgan Times* is resolved and then determine what is required regarding this policy. During the term of abeyance, City Council would hold an executive session for reviews. He believed his evaluation was scheduled for June 3 and intended to conduct it in an executive session.

Councilmember Schafer asked what would we do if someone requests to hold their review in open session while this is in abeyance; what will our process be? Attorney Wells stated that if that occurred City Council would ask for legal advice.

A motion was made by Councilmember Simmons to put the Policy and Procedure of Appointed Officials Personnel Reviews into abeyance until the current lawsuit involving this issue is resolved. Her motion was seconded by Councilmember Schafer and passed unanimously.

**PUBLIC COMMENT / AUDIENCE PARTICIPATION**

---

Mayor Darnell introduced from the audience, the Executive Director of Colorado Municipal League – Sam Mamet. Mr. Mamet addressed Council and stated that he enjoyed meeting our officials at the Spring District meeting in Haxtun today. He enjoyed coming to these City Council and Town meetings around the State; there are 254 of 261 cities and towns in Colorado that conduct such meeting; it is his pleasure to be here this evening. Councilmember Powers is now on CML's Executive Board which takes quite a bit of time and they really appreciate his time to be more involved in what CML is doing. He saw tonight what makes him proud to be involved in CML. A strong Main Street means a strong tax base and that in turn, means that Fort Morgan has a great deal to offer and CML is appreciative of what Council does. CML offers training and legislative advocacy at the State government level. They are also available through their website – [www.cml.org](http://www.cml.org). They look forward to seeing everyone at the annual conference in Steamboat Springs next month. Mayor Darnell thanked Mr. Mamet for coming to the Council meeting this evening. Mr. Mamet concurred that Fort Morgan was one of the founding cities of CML in 1923.
