TEMPORARY FIREWORK STANDS SITE RULES

- A. Temporary fireworks stands need not comply with all provisions of the building code; provided, however, that all such stands be erected under the supervision of the City Building Inspector, who shall require all stands to be constructed in a safe manner ensuring the safety of attendants and patrons. In the event any temporary stand is wired for electricity, the wiring shall conform to the electrical code.
- B. No temporary fireworks stand shall be located within 50 feet of any other building or structure, nor within 100 feet of any gasoline station, oil storage tank or premises where flammable liquids or gases are kept or stored.
- C. Each temporary fireworks stand must have at least two exits that shall be unobstructed at all times.
- D. Each temporary fireworks stand shall have, in a readily accessible place, at least two, 2A rated pressurized water fire extinguishers that are in good working order.
- E. All weeds, grass and combustible material shall be cleared from the location of the temporary fireworks stand and the surrounding area to a distance of not less than 25 feet, measured from the exterior walls of the temporary fireworks stand.
- F. No smoking shall be permitted in or near a temporary fireworks stand for a distance of not less than 50 feet measured from the exterior walls of the temporary fireworks stand. Signs stating:

No Smoking within 50 Feet

shall be posted on the exterior of each wall of the temporary fireworks stand.

- G. Each temporary fireworks stand shall have a person who is 18 years old or older in attendance at all times the stand is stocked. Stock from the stand shall not be removed and stored in any other building during the sales period without the express approval of the City Fire Marshal.
- H. All unsold stock and accompanying litter shall be removed from the temporary fireworks stand by 12:00 noon on the 15th day of July of each year.
- I. No temporary fireworks stand shall be located within 500 feet of any other temporary fireworks stand.
- J. Each temporary fireworks stand shall have provisions for sufficient off-street parking, at least 15 spaces, to avoid impeding a continuous flow of traffic at entrances and exits from the premises.
- K. No person shall discharge any fireworks within 250 feet of the exterior walls of any temporary fireworks stand. Signs stating:

No Discharge of Fireworks within 250 Feet

shall be posted on the exterior of all walls of the temporary fireworks stand.

- L. Signs stating that no person under the age of 16 can legally purchase or possess fireworks within the City limits of the City of Fort Morgan.
