ON THE LAMB:

July events ...

Maker Space weekly Story Time	1
Makeup Franken-stein	1
Science Theater 3000 True Crime Club	1
Brown Bag - Cooking author	1
Tuesday Morgan	2
July Summer Reading Program	2

July Highlights:

- ◆ July 9 - Brown Bag - noon
- ◆ July 11 - Make up Frankenstein - 5 pm
- ◆ July 24 - Science Theatre 3000 - 5 pm
- ◆ July 30 - True Crime Club - 6 pm

Story Time fun in July happens on Tuesday and Thursday at 10:30 a.m. in the Children's Library. Join LynnDee for fun stories, amazing crafts and lots of laughs!

Maker Space

Maker Space is open on Monday, Wednesday and Friday from 3 to 5 p.m. There are games, electronics, robotics, beading, sewing and a 3D printer.

Makeup Frankenstein

This unique program offers tips on basic cosmetic safety. This includes learning how to read expiration dates on cosmetics, how to identify mold and where to store makeup. Patrons are invited to bring in old makeup and learn how to fix and refresh their products. Creation of entirely new shades will also be covered. The class will be held July 11 from 5 to 6 p.m. All ages are invited.

Morgan Science Theater 3000

This program is going to be crazy! Participants get to watch a very cheesy B-movie and make fun of it! The program is offered on July 24 from 5 to 7:45 p.m. Popcorn and drinks will be provided.

True Crime Club

We will meet on July 30, at 6 p.m. At this meeting, we will discuss people who fake their own deaths. The new topic will be Victorian crimes. This program is for adults 18 and over.

Brown Bag, "Cooking author"

Join us for the Brown Bag lunch and program to be held Tuesday, July 9, at noon in the Howard Rollin Memorial Community Room.

Are you out of cooking ideas? Stuck in the same old "hamburger" rut? Put your cooking into high gear with new ideas from this July

program. Cookbook author Shari Howard McMinn will give you inspiration! Brown Bag is free and the public is invited.

From the case files of Tuesday Morgan

This is the city. An expanse with a coursing humanity whose separate elements infrequently, but occasionally go awry. That's where I come in. My name is Tuesday. I'm an investigator.

7:00 p.m. - I'm sitting on the front porch with my 8-year-old niece when she asks me a question. "Tuesday, which do you think is closer. The moon or Florida?" I looked at her and replied, "Geez! Hello! Can you see Florida?"

7:25 p.m. - At Fort Morgan Public Library, Children's Librarian LynnDee was telling me about their fantastic Summer Reading Program. It is called "A Universe of Stories!" I told her I just read this biography on Copernicus. She said Copernicus' parents might deserve some of the credit for his great discovery. Apparently at the age of 12 they said to him: "Copernicus! When are you going to realize that the world does NOT revolve around you!"

The next night, my mom and I decided to go camping. About 2 a.m. I woke up and noticed mom was sitting up in her sleeping bag looking at the night sky. "Tuesday! When I look up I see the vast universe in wonder. Look at Venus over there. Look at all of the stars! What do you see when you look up, Tuesday?" I replied, "Mom! I see that someone stole our tent!"

Summer Reading Program - July!

"A Universe of Stories" is the 2019 Summer Reading Theme. Programs are held in the Children's Library.

July 4 - NO PROGRAM

July 11 - Planet garden planting: Venus veggies and Mercury mud.

1:30 p.m. - Book - "June 29, 1999."

2 p.m. - Plant space flowers and try Venus veggies!

July 18 - Our night on Neptune with Neptune nachos!

1:30 p.m. - Kids create their own book that will be added to the library.

1:45 p.m. - Make Neptune nachos and start writing the story book.

PLANETARIUM TIME!

July 25 - Planetarium!

1:30 p.m. The Fiske Planetarium will be setting up an actual planetarium in the Armory gym. There will be shows about the universe in the planetarium and the big prizes will be awarded at the Armory. This year's top three prizes are a "Star Theatre Pro," "Buzz Lightyear" action figure, and an awesome Mead reflector telescope!
