NOTES:

1. Valuation is based on unit costs of materials per square foot and on the occupancy classification and type of construction. (See attached Square Foot Construction Costs table.) Remodel projects that include all trades will be calculated at 60% of the unit costs.
2. The appropriate City staff must approve inspections of any kind that occur after hours on weekdays, or on weekends and holidays. Fees for non-exempt City staff shall be charged at a rate of \$30 per hour on weekdays and \$40 per hour on weekends and holidays, with a minimum one-hour charge.
3. Inspections by outside consultants shall be imposed for the amount of the actual costs incurred. The determination of whether outside consultants will be used shall be made by the Chief Building Official.
4. The permit fee for factory built housing units that are set on a permanent foundation (HUD or UBC approved) shall be determined by the cost of materials for the foundation or basement requirements, other on-site improvements, plumbing and mechanical work, using the Construction Fees table from the Building Department Fee Schedule.
5. The City Building Department will not perform real estate inspections.
6. The City Building Department will not locate property lines. It is the responsibility of the property owner to know where they are.
7. Any person, firm or corporation who violates any provision of the Building Code or any other construction code of the City shall be subject to the penalties found in Chapter 21, Sec. 21-1-90 of the *Fort Morgan Municipal Code*.
